Juliette (IRM/  
IRG) Guide

# Welcome to Girl Scouts!

## The Girl Scout Mission

Girl Scouting builds girls of courage, confidence and character, who make the world a better place.

## The Girl Scout Promise

On my honor, I will try:  
To serve God and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

## The Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

# About Girl Scouts

For over 100 years, Girl Scouts has given girls the tools to lead, break barriers, and create positive change. They dream big and do bigger. There's never been a better time to be a Girl Scout Juliette and share the experience with friends and family.

We're 2.6 million strong-1.8 million girls and 800,000 adults who believe in the power building the next generation of youth.

Our extraordinary journey began more than 100 years ago with our founder, Juliette Gordon "Daisy" Low. On March 12, 1912, in Savannah, Georgia, she organized the very first Girl Scout troop, and every year since, we've honored her vision and legacy, building girls of courage, confidence and character, who make the world a better place.

We're the preeminent leadership development organization for girls. And with programs from coast to coast and across the globe, Girl Scouts offers every girl a chance to practice a lifetime of leadership, adventure and success.

## Three Keys to Leadership

We are a girl lead, all girl organization focused on three core "keys" to leadership: Discover, Connect and Take Action

### DISCOVER

Develop a strong sense of self, positive values, practical life skills, critical thinking and seek challenges in the world.

### CONNECT

Develop healthy relationships, promote cooperation and team building, resolve conflicts, advance diversity in a multicultural world and feel connected to your community.

### TAKE ACTION

Identify community needs, be a resourceful problem solver for yourself and others, locally and globally, educate and inspire others to act and feel empowered to make a difference in the world.

DISCOVER +  
CONNECT +  
TAKE ACTION =  
LEADERSHIP

# What is a Juliette Girl Scout?

As a Juliette (IRM/IRG) Girl Scouting is custom-made for you! It's a great way to mix and match your unique interests with Girl Scout participation- special events, weekend workshops, leadership projects or travel opportunities that improve your skills and meet your interests and needs.

Juliettes are busy, independent, self-confident girls and young women who want to be a part of something larger - Girl Scouts! Meeting in troops is one way to be a part of the Girl Scout experience, but when there aren't available troops in your area, your troop no longer meets or you become too busy with extracurricular activities or sports, becoming a Juliette will allow you to continue your Girl Scout experience on an individual basis.

As a Girl Scout Juliette, you can participate in everything that is open to your grade level. You can attend council-sponsored programs such as events, series opportunities, year-round camp experiences and travel opportunities.

You will work on Girl Scout programs with a registered adult mentor. You will decide what activities to participate in and which awards you wish to complete. Girl Scout Juliettes can earn the Journey awards and badges, as well as the Girl Scout Bronze, Silver and Gold Awards.

## How do I register as a member?

# Girl Scout Leadership Experience

The National Leadership Journeys and Girl Scout Badges are two combined components that make up the Girl Scout Leadership Experience. Combined with the cookie program, travel experiences and Girl Scout awards, the Girl Scout Leadership Experience is designed to help girls everywhere develop as leaders and build confidence by learning new skills. It also ensures that Girl Scouts at every level are sharing a powerful, national experience—girls together changing the world!

You can explore any of the age-appropriate Journeys in any order that you choose. Each amazing book has its own set of awards. You can work with an adult to determine the format for your Journey. You can decide how long you'd like the Journey to last what you'd like the Journey to be about, what type of fieldtrips to take and which experts to add. In this way, each Journey can be as personal, intriguing and educational as you would like.

In addition to the Journeys, there are also badges, which help build skills. These badges, along with essential Girl Scout information, are outlined in the Volunteer Toolkit (VTK). You'll find information on bridging and our highest awards, Girl Scout history; traditions and much more! It also helps girls tie their badges and Journeys together to create an amazing experience!

There are seven National Leadership Journeys:  
It's Your World—Change It!  
It's Your Planet—Love It!  
It's Your Story—Tell It!  
Think Like an Engineer  
Think Like a Programmer  
Think Like a Citizen Scientist

Journeys help you to:  
Develop leadership  
Explore your interests  
Try new things  
Meet people  
Make your world a better place

# Girl Scout Levels & Uniforms

Look and feel your best with uniform options that are in step with today's trends and active lifestyles! Girl Scouts at each level wear one required element (tunic, sash, or vest) to display official pins and awards. Girls can mix and match pieces from the official Girl Scout collection to complete the uniform.

Badges are awards girls earn by completing skill-building activities. There are level-appropriate badges in each Journey book and Girl's Guide to Girl Scouting. Patches are given to Girl Scouts for participating in fun events, activities or other programs. Patches are to be worn on the back of vests or sashes, while badges are worn on the front.

To ensure the best experience for each Girl Scout at all ages, programming is divided by grade levels. The Juliette program is available to all girls in grades kindergarten through 12th grade..
