

Watch your Girl Scout build their online marketing skills as they set up their very own Digital Cookie page. They can send out a personal Digital Cookie link to family and friends via email to increase sales through online orders. Digital Cookie will allow customers to shop from your Girl Scout's page and ship directly to them.

Digital Cookie is an online platform that girls can use to expand their cookie business! Every registered Girl Scout can set up their Digital Cookie account, with parent/caregiver supervision, starting mid-December.

Customers will have three options at the time of purchase:

1. **Order cookies and pay to ship them directly to their home.** These cookies are shipped by Girl Scouts and do not come from the Girl Scout's personal inventory.
2. **Order cookies for Girl Delivery, to be fulfilled by girls in February 2023,** after you pickup cookies from the buffer. These cookies come from the Girl Scout's personal inventory.
3. **Choose to donate cookies online to Gift of Caring.** All Gift of Caring donations collected through Digital Cookie will be fulfilled by GSH Council.

All Digital Cookie orders are paid by credit card from the customer, so there are no funds to collect, making transactions smooth and contactless! Download the Digital Cookie Mobile App to use the 'Cookies In Hand' feature to take contactless credit card payments when doing door-to-door and/or at booths.

To help spread the word, Girl Scouts can now post their Digital Cookie links on social media, with parent supervision. Approved sites are Facebook, Instagram and Twitter. Posting to marketplace sites like Amazon, eBay and Facebook marketplace is still not allowed.

Here are 4 easy steps to jump into the fun and crush those cookie goals!

1. Register

To sign up to use the Digital Cookie® platform, look for your Digital Cookie registration email in mid December. Be sure to check your junk, spam and promotion folders!

2. Set up site

Help your Girl Scout set up her sales goal, share her cookie story, and upload a fun picture or video. Then she is ready to save, review, and publish (parents/caregivers must approve before the site can be published)!

3. Invite customers

Girl Scouts and their parent/caregiver can manage her cookie customer list and easily send ready-to-use emails inviting friends & family to support her cookie goal. Parents/caregivers can also promote her personalized link on their personal social media with friends, family, neighbors, and co-workers.

4. Track goals

She can see how close she is to reaching her goal by tracking the number of boxes sold and orders placed, as well as sales by delivery type and cookie variety. You can even include offline sales to see total progress!
