Local troops selling Thin Mints[®], Tagalongs[®], Samoas[®] and more in safe, creative, and contact-free ways

HONOLULU (January 12, 2021) – Girl Scouts of Hawai'i is kicking off annual Girl Scout Cookie season with reimagined sales methods to keep themselves and customers safe. In light of the COVID-19 pandemic, Girl Scouts are adapting their sales methods to continue sharing the joy of Girl Scout Cookies across the islands, including a new, nationwide collaboration with Grubhub for contact-free pick-up and delivery. Girl Scouts have been engaged with pre-sales to family and friends since January 2 in preparation for cookie arrival in February.

Starting on Monday, February 1, 2021, customers can use the Girl Scout Cookie Finder online at www.gshawaii.org to purchase their favorite cookie flavors from local troops. Customers can opt to have the cookies shipped directly to their doorstep or purchase cookies for troops to donate to local organizations.

“As the world’s largest girl-led entrepreneurial program, we are constantly providing opportunities for our girls to enhance their personal and business skills, which build their character and courage,” said Shari Chang, chief executive officer of the Girl Scouts of Hawai'i. “These challenging times inspire troops to think outside of the box to boost cookie sales, which support their efforts to make a difference in our community.”

Innovative Girl-led Sales Methods

The Girl Scout Cookie Program has long taught girls how to run a business through in-person booths, door-to-door activities, and the Digital Cookie[®] online platform. As a response to the disruption of 2020 season sales due to the COVID-19 pandemic, Girl Scouts of Hawai'i quickly pivoted their sales methods to include virtual cookie booths, facilitating direct to home shipping porch drop-offs and a partnership with City Mill. Girl Scouts as young as five years-old are continuing to embrace their entrepreneurial spirit while staying connected to their communities and have fun by participating in the cookie program. All proceeds from each and every purchase stay with Hawai'i troops to power Girl Scouts essential leadership programming.

Ordering Through Delivery Platform Grubhub

This season, Girl Scouts of Hawai'i is participating in a national collaboration with food ordering and delivery platform Grubhub so girls have an additional way to facilitate contact-free cookie orders. In Hawai'i, consumers can order Girl Scout Cookies for pickup or delivery on Grubhub.com or the Grubhub app. A hands-on experience in managing e-commerce, Hawai'i Girl Scouts will track and fulfill orders, manage inventory, and more, all using Grubhub's back-end technology. This method will be available on Oahu, Maui, and Kauai starting on February 19, 2021. As always, the proceeds benefit Girl Scouts of Hawai'i troops while providing another innovative way to safely run the cookie program virtually. Grubhub is waiving all fees for the organization to make this new delivery option feasible for sales without reducing troops'

proceeds. For more details on available delivery and pickup locations and times, check the Girl Scout Cookie Finder at www.gshawaii.org or the GrubHub app.
