- Encourage your girls to get creative and have fun! This might mean creating flyers, writing sidewalk chalk messages, or by uploading a video.
- Host a Facebook Live party with your friends and family to get them excited about the Great Cookie Comeback.
- Tap into your social network to share your girl's Digital Cookie link following GSUSA online marketing guidance and GSHawaii's Social Media Policy.
- Post Virtual Troop Booth on social media – including community sale sites. Girl Digital Cookie information should never be shared on these sites.

- Wear a face mask.
- Don't touch your face.

No-Contact Deliveries

- Communicate with your customer to determine where they would like their cookies dropped off.
- Knock on the door and leave the cookies. Then back up 10 feet, have the customer take their cookies and leave payment. Collect payment no less than 6 ft away from customers.
- Consider scheduling trunk pick-ups at a central location and scheduling customer pick-up times to minimize the number of people there at once.
- Find a special way to say “thank you!” – whether through a thank you video or a personalized note, your girls will want to show their customers come appreciation!

- Follow your community's social distancing guidelines
- Use hand sanitizer

Creative Community Walkabouts

- Get the word out! Let your community know that cookies are back by posting flyers or leaving door hanger notes in your neighborhood to inform them when and how girls are planning to sell.
- Set up a cookie stand in your driveway (or a driveway of a family friend) and invite neighbors to drop by.
- Think outside the box to find spots where people might be excited to get their favorite cookies, such as around coffee shops or restaurants with thriving take-out orders. Be sure to get permission from the business and that it is not a Council booth partner. TCMs should submit a Troop-secured booth location on eBudde.

Set Up a Cookie Drive Thru

- Give customers a convenience way to get their cookies by setting up in parking lots and offering a “drive thru” service.
- Sign-up for a Council-secured drive-thru booth location or work with local businesses to secure a safe location and collaborate on advertising your drive thru, including on social media.
- Share your drive thru location with your community and invite individuals to visit your drive up location while keeping a safe distance.
- Limit the number of girls that are at your pick up location. Ensure that there are at least two adults volunteers on site.

Payment Options
