

Troop Bylaws

As members of the Girl Scouts of Hawai'i, Troop ____ ____, we understand we are here to build girls of courage, confidence, and character who make the world a better place with the financial literacy skills to be the leaders of today and tomorrow. The following Bylaws govern troop finances:

- Each Girl Scout Troop is required to open a Troop checking account at any branch of American Savings Bank using the standard account title of Girl Scouts of Hawai'i, Troop xxxx. No other naming conventions will be accepted. Girl Scouts of Hawaii is the owner of record of all Troop checking accounts.
- The Troop account requires a minimum of two (2) adults that are actively registered with Girl Scouts of Hawai'i to be authorized signers and responsible to manage the Troop funds. Each signer must present a valid (not expired) driver's license, state ID card or passport and sign the signature card before authorized to transact.
- The authorized signers of the Troop account are responsible to follow the Girl Scouts of Hawai'i policy that requires two (2) signatures on each check. It is not the responsibility of American Savings Bank to enforce. Debit cards are not allowed on the account.
- After all authorized signers have signed the signature card and at least two (2) of the authorized signers provided an email address, the Troop can request to enroll in Business Online Banking. After receiving an email that confirms enrollment, sign on to Business Online Banking and change option from paper statements to eStatements in order to avoid a monthly paper statement fee of \$5.00. Every month, the online account statement should be reviewed by at least two of the authorized signers.
- Troops are allowed to carry over funds from one membership year to the next to facilitate participation in programs year-round. If a troop's carryover amount exceeds the carryover limit (see Troop Finance Guide for level-specific limits), the leader/adult-in-charge must submit to council a letter requesting an exemption to the limit and stating the intended use of funds and timeframe.

• Annually a Troop Finance Worksheet Annual Report is submitted to Council.

- When a troop disbands, funds remaining in their American Savings Bank account become the property of the Girl Scouts of Hawai'i.
- To add or change signatories to a troop account, an updated Troop Bylaws is completed (with a complete list of all names authorized) and approved by an authorized signer from Council. An updated and approved Troop Bylaws submitted will supersede any prior Bylaws on file including any previous signers.
- Email a copy of the Bylaws to customer care@gshawaii.org (ATTN: Troop Finance) or mail to Girl Scouts of Hawai'i, c/o Troop Finance, 410 Atkinson Dr., Box 3, Ste 2E1, Honolulu, HI 96814.
