## My GS

My GS is your digital one-stop shop for all things related to your Girl Scout experience. To access My GS, visit [www.gshawaii.org](http://www.gshawaii.org) and select My GS from the menu bar. If you have participated in activities or a troop in the last two years but have not accessed your account recently, then you may need to reset your password using the "Forgot Password?" link. If you have not participated in our program recently, then create a My GS login by selecting the link "Don't have an account? Sign up now." Using My GS, you can ...

- **Update contact information** for each person in your family in My Household. Edit the profile for each person that needs to be updated so you don't miss out on important communications, supplies mailed for virtual events, etc. Please note that updating the address for one person in the family does not update the address for everyone. Also, the system will not allow you to list the same email address for more than one person. Each adult that has an email address on their account must use their own unique email address.
- **Renew or purchase memberships** for your family through My Household. Check the box where you see "Time to Renew" as the status OR scroll to the bottom of the page and select "Register a new household member".
- **Check contact and meeting information** in My Troops.
- **Change your password, employer information, etc. in My Profile.** Please note that any changes to contact information here will not be reflected on other members of the family. Those changes can be made through My Household.
- **Register for events and camps in My Events.** You will need to know the zip code of the city where the event takes place (see below) or expand the search radius from your zip code up to 90 miles. For virtual events, use 96813 as the zip code.
- Keep up with your troop calendar and meeting information in the **Volunteer Toolkit**.
- Gain the essential skills and knowledge to be a Girl Scout volunteer in **gsLearn**.
- You can also enhance your own personal and professional skills through any of the modules available in the Content Library.

**Only registered adult members have access to gsLearn.**

## Individual Registration

If your Girl Scout's troop is not attending an event, she can register to attend individually - for events open to individual registration. We encourage Girl Scouts to take part in events that speak to the person they are and will grow to be. In fact, girl-led activities are the secret sauce of Girl Scouting, and it's easy to see why. When girls step up and take ownership of their decisions, they grow into confident leaders who can make informed and empowered decisions-a valuable skill they'll carry throughout their lives.

It might be tempting to step in for girls of any age but remember that giving them space to make their own decisions-and mistakes-is how they'll tap into their most confident selves. That's why we ask that for individual event registration you limit the number of adults attending. Keep in mind facility capacities apply to the total number of girls and adults, so over registering adult members means less opportunity for girls to try new things and grow their confidence. If more than three Girl Scouts from the same troop register for an event you may be contacted and asked to reduce the adults attending. At this number, we consider this a troop registration and follow the ratios outlined in Safety Activity Checkpoints. Check our Activity Calendar online for more information and to register.

## Activity Registration Information

The following information published for each activity on the [GSH events calendar](#). If you have any questions, please contact Customer Service [customercare@gshawaii.org](mailto:customercare@gshawaii.org) or call 808-595-8400.

### **FEE**

The cost per individual girl or adult. You must register for all activities, even those without fees. This allows for appropriate safety planning and activity preparation. Please note, additional fees may apply for events open to non-members and out of council Girl Scouts.
